Due to insurance company request, we are requesting a name change. Unfortunately, after a month, we were told by Mr. Jonathon Teeter (During Inspection) that we did not have the correct insurance. From that point on we have been trying to get the correct insurance agent. Once we finally found them and contacted them, they informed us that we will have to drop the business name, L.C. DIESEL SERVICE, INC Dba TLC TRANSPORTATION.

Sincerely,

Larthan C. Thomason
